Work Disability possible if claimant has greater than 7.5% whole body impairment (or at least 10% if pre-existing impairment) and is unable to earn comparable wage due to work accident. Work disability is the average of wage loss and loss of task performing abilities. Post-injury wage determined based on claimant's earning capability.

Waiting Period for Temporary Total Disability applies to the first seven days claimant is off work. If worker is off for three consecutive weeks, then employer shall pay worker TTD for waiting period.
